

It's Not Right

Developmental Evaluation
Setting the Stage

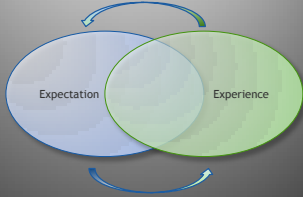

Context

Developmental Evaluation = Learning Process

Reflection / Learning

Challenge Questions

- What do we actually expect? What are some assumptions we are making?
- What did we experience? What was surprising? Confirming? Challenging?

Station Questions

- What are you noticing? What are some “ah-ha” moments? What are some nagging questions?
- What might be going on under the surface? What are some themes or patterns you notice?
- What’s the “So What?” How can we use this information to do better work?
